improper statements during jury voir dire; the upward adjustment of Crawford's sentence because he was a leader or organizer of the scheme to defraud; the calculation of the amount of loss resulting from the fraudulent scheme as it affected his sentence; and the calculation of the restitution amount owed by Crawford to Security National Bank.

Because Crawford should be credited with the amount he paid Security National Bank in their civil settlement, the restitution amount is reduced by \$18,500. Accordingly, this matter is remanded to district court for entry of an amended judgment consistent with this opinion.
